APPLICATION OF SOUTHWESTERN PUBLIC SERVICE COMPANY TO IMPLEMENT A NET REFUND FOR OVER-COLLECTED FUEL COSTS	§ § § §	PUBLIC UTILITY COMMISSION OF TEXAS
---	------------------	---

ORDER REMANDING PROCEEDING TO DOCKET MANAGEMENT

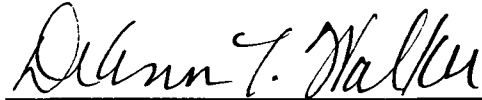

On February 14, 2020, Southwestern Public Service Company (SPS) filed an application requesting authority to implement a net refund of over-collected fuel costs to its Texas retail customers. At its May 14, 2020 open meeting, the Commission considered a proposed order based on an agreement between the parties and determined that additional evidence was required to correct a deficient finding, an issue raised by Commission Staff in its correction filing on May 4, 2020 and explained in a commissioner memorandum filed on May 12, 2020.

Consistent with its discussion at the May 14, 2020 open meeting, the Commission remands this docket to Docket Management. Docket Management must admit supplemental evidence from SPS addressing the deficiency described in the May 12, 2020 commissioner memorandum and revise the proposed order accordingly.
