(EARLIER I SENT A PROTEST, BUT NOW I AM REQUESTING TO INTERVENE.)

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☒ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

Routes 1 or 2 would have the least bad impact on the fewest land owners. Routes 7 and 8 are near my house and would very greatly reduce the value of my property. Routes 3, 4, 5, and 6, ^{and 9} take most of the road frontage of my land and would very greatly reduce the value of my property.
