APPLICATION OF ENERGY HARBOR LLC
FOR A RETAIL ELECTRIC PROVIDER CERTIFICATE**

Energy Harbor LLC (“Energy Harbor”) filed an application for a Retail Electric Provider certificate on April 2, 2020, in the above-captioned docket (the “Application”). After an initial review of the Application, the Staff of the Public Utility Commission of Texas (“Staff”) concluded that Energy Harbor “has not demonstrated compliance with 16 TAC § 25.107(f)(2)(B).”¹ On May 1, 2020, Energy Harbor filed a Confidential Supplement to Attachment C-2 of Energy Harbor’s Application in order to demonstrate compliance with 16 TAC § 25.107(f)(2)(B) (the “Confidential Supplement”). The Confidential Supplement contains commercially sensitive financial information that is considered Highly Sensitive Protective Material. Energy Harbor hereby designates the Confidential Supplement as Highly Sensitive Protected Material under the Protective Order issued in this docket. This notice is filed to comply with the requirements of paragraph 4 of the Protective Order relating to the claims of exemption from public disclosure pursuant to the Texas Public Information Act (“TPIA”).²

The Confidential Supplement contains confidential financial information, bank records and account numbers. The designated material is therefore exempt from disclosure under TPIA §552.110 and/or § 552.136.

¹ Docket No. 50728, Commission Staff’s Recommendation on Deficiency and Completeness of the Application, at 1 (Apr. 23, 2020).

² Tex. Gov’t Code §§ 552.001-.353.

The undersigned counsel for Energy Harbor has reviewed the information sufficiently to state in good faith that the information is exempt from public disclosure under the TPIA and merits the confidential and Highly Sensitive Protected Material designation.

Respectfully submitted,
