RE: PUC Docket No. 50485

Application of Sam Houston Electric Cooperative, Inc. to Amend its Certificate of Convenience and Necessity for a Proposed 138-kV Transmission Line in Tyler County

Dear Mr. Journey:

As you know, as of the date of this letter, the Commission has not referred the above-styled case to the State Office of Administrative Hearings (SOAH). The purpose of this letter is to inform the parties to this case that, in issuing Order No. 1 in a different transmission line case, PUC Docket No. 50545, SOAH mistakenly served that order on parties to this Docket No. 50485 instead of the parties to PUC Docket No. 50545. The parties to Docket No. 50485 who received SOAH's order in Docket No. 50545 should ignore and discard it. The correct parties have now received that order. We regret the error and any confusion it might have caused.

Sincerely,

Elizabeth Drews
Administrative Law Judge
