**RE:** Project No. 50799, Application of South Trent Wind LLC to Amend its Power Generation Company Registration

---

### **RECOMMENDATION**

On April 29, 2020, South Trent Wind LLC (South Trent) filed an application to amend its power generation company (PGC) registration pursuant to 16 Texas Administrative Code (TAC) §25.109. South Trent requested an amendment to remove Buckthorn Wind Project LLC from its list of affiliated companies because Buckthorn Wind Project LLC is no longer an affiliated company. South Trent's registration number is 20219.

After a review of the South Trent's amendment request, Staff has concluded that the company has satisfactorily completed the post registration requirements under 16 TAC §25.109 (h) by reporting a material change in the information provided on the registration form within 45 days of the change. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC §25.109 (f).

Therefore, Staff recommends that South Trent's amendment request be granted, and commission records be revised to reflect the amendment.
