RE: Project No. 50767 - *Application of Texas Microgrid, LLC to Amend its Power Generation Company Registration*

RECOMMENDATION

On April 17, 2020 Texas Microgrid, LLC (Texas Microgrid or the Company) filed an application for an amendment to its power generation company registration (Application) pursuant to 16 Texas Administrative Code (TAC) § 25.109 Texas Microgrid stated that an amendment is necessary to update new generating plant/facility. The facilities being registered were filed confidentially. The Company's registration number is 20493.

After a review of Texas Microgrid's application, Staff has concluded that the applicant has satisfactorily completed the post-registration requirements under 16 TAC § 25.109(h) by notifying the Commission of any material change in the information provided on the registration form within 45 days of the change. Therefore, Staff recommends that Texas Microgrid, LLC's application for an amendment to its power generation company registration be granted. The Commission records should be revised to reflect the updated new generating plant/facility.
