**AXINFRA US LP's CONFIDENTIALITY STATEMENT UNDER  
SECTION 4 OF THE PROTECTIVE ORDER DESIGNATING CONFIDENTIAL AND  
HIGHLY SENSITIVE PROTECTED MATERIALS**

The undersigned attorneys for AxInfra US LP ("AxInfra"), Hotspur HoldCo 1 LLC ("Hotspur 1"), Hotspur HoldCo 2 LLC ("Hotspur 2"), and 730 Hotspur, LLC ("730 Hotspur") hereby submit this statement under Section 4 of the protective order entered in this case.

The information produced by AxInfra in its response to Texas Industrial Energy Consumers' ("TIEC") requests for information TIEC-AXINFRA 7-1, 7-2, 7-3, 7-4 and 7-5 has been reviewed by AxInfra's undersigned counsel sufficiently to state in good faith that certain information contained in the attachments to AxInfra's responses is exempt from public disclosure under the Texas Public Information Act.<sup>1</sup> The reasons supporting the designation are outlined below.

The responses to TIEC-AXINFRA 7-1 and 7-2 contain commercially sensitive financial information related to AxInfra. Disclosure of the information would cause substantial competitive harm to AxInfra because the information is not intended for public consumption and is commercially sensitive in long-term capital financing markets. Information provided in this response is exempt from public disclosure pursuant to Sections 552.101, 552.104 and 552.110 of the Public Information Act as highly sensitive protected information.

The Attachment to TIEC-AXINFRA 7-3, Attachments 1, 2 and 3 to TIEC-AXINFRA 7-4 and Attachment 1 to TIEC-AXINFRA 7-5 have been designated as Highly Sensitive because they contain non-public reports and analyses performed by third parties on AxInfra's behalf, which contain sensitive financial and business operational information. If the documents were disclosed, it would cause substantial competitive harm to AxInfra or the person from whom the information
