**ORDER NO. 3
GRANTING INTERVENTIONS**

This Order addresses the motion to intervene filed by the City of El Paso and Texas Industrial Energy Consumers (TIEC).

On May 1, 2020, the City of El Paso filed a motion to intervene, stating that it is a home rule city served by El Paso Electric Company as well as a regulatory authority having original jurisdiction over the electric rates and services of El Paso. The City of El Paso requests intervenor status on behalf of its citizens as an affected person and as a municipality regarding a utility serving within its corporate limits, and asserts it is entitled to intervene under PURA¹ § 33.025.

On May 4, 2020, TIEC filed a motion to intervene, stating that it is an association of industrial consumers of electricity whose member companies own and operate industrial facilities in El Paso's service territory and purchases electricity from El Paso. For this reason, TIEC states a justiciable interest that maybe affected by the outcome of this proceeding.

No objections to the motions to intervene were filed. The administrative law judge (ALJ) grants the motions to intervene.

¹ Public Utility Regulatory Act, Tex. Util. Code §§ 11.001–66.016

Signed at Austin, Texas the 12th day of May 2020.
