RE: Project No. 50781, Application of Buckthorn Westex LLC to Amend its Power Generation Company Registration

RECOMMENDATION

On April 27, 2020, Buckthorn Westex LLC (Buckthorn) filed an application to amend its power generation company (PGC) registration pursuant to 16 Texas Administrative Code (TAC) §25.109. Buckthorn requested an amendment to remove of the Buckthorn Wind Project LLC from its list of affiliated companies because Buckthorn Wind Project LLC is no longer an affiliated company. Buckthorn's registration number is 20392.

After a review of the Buckthorn's amendment request, Staff has concluded that the company has satisfactorily completed the post registration requirements under 16 TAC §25.109 (h) by reporting a material change in the information provided on the registration form within 45 days of the change. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC §25.109 (f).

Therefore, Staff recommends that Buckthorn's amendment request be granted, and commission records be revised to reflect the amendment.
