Re: Project No. 36141, *Retail Performance Measure Reports Pursuant to PUC Subst. R.*  
*§25.88 Beginning 3rd Quarter 2008*

Dear Filing Clerk:

Please accept for filing in the above-referenced proceeding the performance measures report of ENGIE Resources LLC ("ENGIE") for the *first* quarter of 2020. The measures required for retail electric providers ("REPs") are:

Measure A-1	Customers served by REPs
Measure C	Technical Field Performance

Attached is the required report attestation, which is being filed publicly. ENGIE is also submitting confidentially and under seal the information for the measures set forth above and the required analysis thereof, which discusses and reveals that information. That information and analysis are being submitted as confidential documents pursuant to 16 Tex. Admin. Code §22.71.

ENGIE notes that in connection with Measure A-1, which requires it to file both paper and electronic copies of its DOE EIA-826 reports, ENGIE has submitted only the paper copies of these reports because it considers these reports to constitute confidential information. 16 Tex. Admin. Code §22.71(d)(3), however, provides that a party shall not file confidential materials electronically unless specific arrangements are made and agreed to by the parties involved on a case-by-case basis. ENGIE is unaware of any such arrangements having been made. Accordingly, ENGIE is not filing the EIA-826 forms electronically at this time. Should the Staff desire to review electronic copies of those reports, ENGIE will discuss appropriate arrangements for filing such materials in consideration of the rule.
