RE: Project No. 50655, Year-End 2019 Electric Utility Earnings Reports in
Accordance with 16 TAC § 25.73

El Paso Electric Company's Request for Extension

Dear Ms. Treviño:

El Paso Electric Company (EPE) requests an extension of the deadline for filing its 2019 Earnings Monitoring Report to, on or before, June 15, 2020. The need for additional time is primarily due to the difficulties occasioned by the pandemic requiring EPE's financial and regulatory accounting groups to work remotely. Consistent with the instructions to the Earnings Monitoring form, EPE contacted the Commission's Director of Rate Regulation, Mr. Darryl Tietjen. He indicated that EPE's request for up to a 30-day delay in filing its 2019 Earnings Monitoring report was acceptable to him.

Sincerely,

Bret J. Slocum
Attorney for El Paso Electric Company
