### REQUEST FOR HEARING ON THE MERITS

TO THE HONORABLE ADMINISTRATIVE LAW JUDGE:

NOW COMES Gail Hill, who files this Request for a Hearing on the Merits, and in support would show:

Gail Hill owns property in Van Zandt County that would be affected by the proposed routes 7, 8, 9, and 10.

Other parties have filed requests to intervene and protests in this matter, objecting to other proposed routes. It is appropriate that this matter be set for a hearing to determine the best route. A hearing on the merits and the associated preparation for that hearing, including conducting discovery and submission of written testimony or statements of position, may be necessary to fairly determine which route best complies with PURA § 37.056.

NOW THEREFORE, Gail Hill respectfully requests that the above-captioned case be set for a hearing on the merits, that a revised procedural schedule be drafted for consideration by the parties, and for such other and further relief to which she may be entitled.

Respectfully submitted,
