EXHIBIT C
(to the Credit Agreement)

FORM OF OPINION OF COUNSEL FOR THE BORROWER

To each of the Lenders party to the
Credit Agreement referred to below
and to PNC Bank, National Association, as Administrative Agent thereunder

March 23, 2020

Ladies and Gentlemen:

This opinion is furnished to you pursuant to Section 3.01(a)(iii) of the Credit Agreement, dated as of March 23, 2020 (the “**Credit Agreement**”) among American Electric Power Company, Inc. (the “**Borrower**”), the Lenders party thereto and PNC Bank, National Association, as Administrative Agent. Terms defined in the Credit Agreement are used herein as therein defined.

I am an Associate General Counsel for American Electric Power Service Corporation, an affiliate of the Borrower, and have acted as counsel to the Borrower in connection with the preparation, execution and delivery of the Credit Agreement. I am generally familiar with the Borrower’s corporate history, properties, operations and charter (including amendments, restatements and supplements thereto).

In connection with this opinion, I, or attorneys over whom I exercise supervision, have examined:

- (1) The Credit Agreement and the promissory notes issued by the Borrower on the date hereof pursuant to Section 2.07(d) of the Credit Agreement (collectively, the “**Loan Documents**”).
- (2) The documents furnished by the Borrower pursuant to Article III of the Credit Agreement.
- (3) The certificate of incorporation of the Borrower and all amendments thereto.
- (4) The by-laws of the Borrower and all amendments thereto.
- (5) A certificate of the Secretary of State of New York, dated March [], 2020, attesting to the continued existence and good standing of the Borrower in that State.

In addition, I, or attorneys over whom I exercise supervision, have examined the originals, or copies certified to my satisfaction, of such other corporate records of the Borrower, certificates

D-3

of public officials and of officers of the Borrower, and agreements, instruments and other documents, as I have deemed necessary as a basis for the opinions expressed below.

In my examination, I, or attorneys over whom I exercise supervision, have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals and the conformity with the originals of all documents submitted to us as copies. In making our examination of documents and instruments executed or to be executed by persons other than the Borrower, I, or attorneys over whom I exercise supervision, have assumed that each such other person had the requisite power and authority to enter into and perform fully its obligations thereunder, the due authorization by each such other person for the execution, delivery and performance thereof and the due execution and delivery thereof by or on behalf of such person of each such document and instrument. In the case of any such person that is not a natural person, I, or attorneys over whom I exercise supervision, have also assumed, insofar as it is relevant to the opinions set forth below, that each such other person is duly organized, validly existing and in good standing under the laws of the jurisdiction in which it was created and is duly qualified and in good standing in each other jurisdiction where the failure to be so qualified could reasonably be expected to have a material effect upon its ability to execute, deliver and/or perform its obligations under any such document or instrument. I, or attorneys over whom I exercise supervision, have further assumed that each document, instrument, agreement, record and certificate reviewed by us for purposes of rendering the opinions expressed below has not been amended by any oral agreement, conduct or course of dealing between the parties thereto.

As to questions of fact material to the opinions expressed herein, I have relied upon certificates and representations of officers of the Borrower (including but not limited to those contained in the Credit Agreement and certificates delivered upon the execution and delivery of the Credit Agreement) and of appropriate public officials, without independent verification of such matters except as otherwise described herein.

Whenever my opinions herein with respect to the existence or absence of facts are stated to be to my knowledge or awareness, it is intended to signify that no information has come to my attention or the attention of other counsel working under my direction in connection with the preparation of this opinion letter that would give me or them actual knowledge of the existence or absence of such facts. However, except to the extent expressly set forth herein, neither I nor they have undertaken any independent investigation to determine the existence or absence of such facts, and no inference as to my or their knowledge of the existence or absence of such facts should be assumed.

I am a member of the Bar of the States of New York and Ohio and do not purport to be expert on the laws of any jurisdiction other than the laws of the States of New York and Ohio and the Federal laws of the United States. My opinions expressed below are limited to the law of the States of New York and Ohio and the Federal law of the United States.

Based upon the foregoing and upon such investigation as I have deemed necessary, and subject to the limitations, qualifications and assumptions set forth herein, I am of the following opinion:

D-4

1. The Borrower (a) is a corporation duly organized, validly existing and in good standing under the laws of the State of New York; (b) has the corporate power and authority, and the legal right, to own and operate its property, to lease the property which it operates as lessee and to conduct the business in which it is currently engaged and in which it proposes to be engaged after the date hereof; (c) is duly qualified as a foreign corporation and is in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification, except any such jurisdiction where the failure to so qualify could not, in the aggregate, reasonably be expected to result in a Material Adverse Change; (d) owns or possesses all material licenses and permits necessary for the operation by it of its business as currently conducted; and (e) is in compliance with all Requirements of Law, except as disclosed in the Disclosure Documents referenced in Section 4.01(e) of the Credit Agreement or to the extent that the failure to comply therewith could not, in the aggregate, reasonably be expected to have a Material Adverse Effect. The term "Requirements of Law" means the laws of the State of New York and the laws, rules and regulations of the United States of America (including, without limitation, ERISA and Environmental Laws) and orders of any governmental authority applicable to the Borrower.
 2. The Borrower has the corporate power and authority, and the legal right, to execute and deliver each Loan Document and to perform its obligations under each Loan Document, and to borrow under the Credit Agreement. The Borrower has taken all necessary corporate action to authorize the execution, delivery and performance of each Loan Document and the incurrence of Advances on the terms and conditions of the Credit Agreement, and each Loan Document has been duly executed and delivered by the Borrower. Each Loan Document constitutes the valid and legally binding obligation of the Borrower enforceable against the Borrower in accordance with its terms.
 3. The execution, delivery and performance of each Loan Document and the Advances made under the Credit Agreement will not violate any Requirements of Law, the Borrower's certificate of incorporation or by-laws, or any material contractual restriction binding on or affecting the Borrower or any of its properties.
 4. No approval or authorization or other action by, and no notice to or filing with, any governmental agency or regulatory body or other third person is required in connection with the due execution and delivery of any Loan Document and the performance, validity and enforceability of any Loan Document.
 5. Except as described in Section 4.01(e) of the Credit Agreement, no action, suit, investigation, litigation, or proceeding, including, without limitation, any Environmental Action, affecting the Borrower or any of its Significant Subsidiaries before any court, government agency or arbitrator is pending or, to
-

D-5

my knowledge, threatened, that is reasonably likely to have a Material Adverse Effect.

6. Neither the Borrower nor any of its Significant Subsidiaries is an “investment company”, or an “affiliated person” of, or “promoter” or “principal underwriter” for, an “investment company”, as such terms are defined in the Investment Company Act of 1940, as amended (the “*1940 Act*”). Neither the making of any Advances, the application of the proceeds or repayment thereof by the Borrower nor the consummation of the other transactions contemplated by the Credit Agreement will violate any provision of the 1940 Act or any rule, regulation or order of the Securities and Exchange Commission thereunder.

The opinion set forth above in the last sentence of paragraph 2 above is subject to the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditor’s rights generally and to general principles of equity, including (without limitation) concepts of materiality, reasonableness, good faith and fair dealing (regardless of whether considered in a proceeding in equity or at law.)

I express no opinion as to (i) Section 8.05 of the Credit Agreement; (ii) the effect of the law of any jurisdiction (other than the State of New York) wherein any Lender may be located which limits the rates of interest which may be charged or collected by such Lender; and (iii) whether a Federal or state court outside of the State of New York would give effect to the choice of New York law provided for in the Credit Agreement.

This opinion letter has been rendered solely for your benefit in connection with the Credit Agreement and the transactions contemplated thereby and may not be used, circulated, quoted, relied upon or otherwise referred to by any other person (other than your respective counsel, auditors and any regulatory agency having jurisdiction over you or as otherwise required pursuant to legal process or other requirements of law) for any other purpose without my prior written consent; *provided* that, any person that becomes a Lender after the date hereof may rely on the opinions expressed in this opinion letter as though addressed to such person. I undertake no responsibility to update or supplement this opinion in response to changes in law or future events or circumstances.

Very truly yours,

David C. House
Counsel for American Electric Power Company, Inc.

MINE SAFETY INFORMATION

The Federal Mine Safety and Health Act of 1977 (Mine Act) imposes stringent health and safety standards on various mining operations.
