MOTION TO INTERVENE OF DAVID AND BELINDA WEISHUHN

TO THE HONORABLE ADMINISTRATIVE LAW JUDGES:

NOW COMES David and Belinda Weishuhn ("Intervenor") pursuant to P.U.C. Proc. R. 22.101, 22.103, and 22.104, and files this Motion to Intervene in the above-captioned docket. In support thereof respectfully shows the following:

1. On January 14, 2020, Wind Energy Transmission Texas, LLC and Oncor Electric Delivery Company, LLC ("WETT" and "Oncor") filed their Application for a Certificate of Convenience and Necessity for the proposed Bearkat Switching Station to Longshore Switching Station 345-kV Transmission Line in Glasscock and Howard Counties. WETT and Oncor filed with their application a list of landowners that could be directly affected by one or more of the proposed segments. WETT and Oncor's list did not include the correct contact information for Intervenor, and, as a result, Intervenor did not receive the original notice. However, subsequent to that filing, WETT and Oncor later identified Intervenor as the owner of property in Glasscock County, Texas, as indicated in WETT and Oncor's Notice Regarding Second Supplemental Affidavit Attesting to the Provision of Notice and Request for Approval, filed in this docket on May 14, 2020.

2. Intervenor has standing to intervene in this proceeding, as that term is defined in P.U.C. Proc. R. 22.103(b)(2), because Intervenor has a justiciable interest that may be adversely affected by the outcome of this proceeding. As stated above, certain property in Glasscock County is owned by Intervenor. On or around May 15, 2020, Intervenor received notice from WETT and Oncor that Intervenor's said property may be directly affected, as that

term is defined in P.U.C. PROC. R. 22.52(a)(3), by the proposed transmission line that is the subject of this proceeding. This Motion to Intervene is filed on May 20, 2020, well before the deadline stated in WETT and Oncor's supplemental notice received by Intervenor, and therefore is timely filed.

3. Attorney Tyler Topper, pursuant to P.U.C. PROC. R. 22.101(a), hereby notices his appearance as counsel on behalf of Intervenor. Intervenor desires to be a party to the above-styled and docketed proceeding and have input in the routing process.

4. For these reasons, good cause exists to grant Intervenor's request to intervene pursuant to P.U.C. Proc. R. 22.104.

5. Intervenor requests that all parties to this proceeding serve copies of all notices, correspondence, pleadings, discovery, and other documents upon its counsel as follows:
