**AXON POWER & GAS, LLC'S  
STATUS REPORT**

COMES NOW, Axon Power & Gas, LLC ("Axon") and files this, its Status Report as directed by SOAH Order No. 4 and in support thereof would respectfully show:

**I. BACKGROUND**

On November 12, 2019, Axon Power & Gas, LLC (Axon) filed a motion to abate this case for three months in order to evaluate its options and engage in discussions with Staff of the Public Utility Commission of Texas (Commission Staff). That motion was granted in SOAH Order No. 4, which required Axon to submit a status report or propose a new procedural schedule no later than January 8, 2020. On that date, Axon filed a status report and requested that this case remain abated and represented that it would file another status report or propose a new procedural schedule no later than March 11, 2020. On that date, Axon filed a status report and requested that this case remain abated and represented that it would file another status report or propose a new procedural schedule no later than May 15, 2020.

**II. STATUS REPORT**

Since the last Status Report Axon has completed payment to three of the four TDUs. In addition, Axon and Staff have continued their discussions about operational and management changes to Axon and administrative penalties and, since the last status report, have reached the point where those discussions have resulted in a draft document formalizing Axon's commitment to certain conditions required for market reentry.

Given the progress that has been made towards resolving the issues in the case, Axon requests that the Procedural Schedule for this proceeding continue to be abated and proposes that on or before Friday, July 17, 2020 it will file a status report with the Administrative Law Judge or request that a new procedural schedule be adopted. As in its

prior motions, Axon further represents that it currently has no customers and will take no action to enroll any new customers while the proceeding is abated.

### **III. CONCLUSION AND PRAYER**

WHEREFORE, Axon respectfully requests that Administrative Law Judge continue the abatement of the procedural schedule in this proceeding.

Respectfully Submitted,
