In reference to Oncor WETT:

Specifically: SOAH DOCKET NO. 473-20-3470

PUC DOCKET NO. 50410

Tracking Number: **TALRLEGG**

This letter serves to notify an opposition to Oncor WETT by LS McDowell Trusts against two of several proposed transmission lines that can possibly cross over, run parallel, or adjoin to property in the Glasscock county land.

We are not opposing the proposed transmission lines that are parallel to the three existing high voltage transmission lines that enter and exit at the same points that the existing lines enter and exit on McDowell lands.

Sincerely,

Lorin McDowell
