ORDER NO. 2
FINDING INITIAL COMPLIANCE SATISFACTORY

This Order addresses East Texas Electric Cooperative Inc.'s March 31, 2020 notice of intent to complete the load transfer as required by the Order in *Petition of East Texas Electric Cooperative, Inc. for Authority to Transfer 35 Megawatts of Load into the Electric Reliability Council of Texas*, Docket No. 47898.¹

In Order No. 1 filed on April 1, 2020, the administrative law judge (ALJ) required Commission Staff to file comments, by April 30, 2020, the sufficiency of the notice provided by East Texas Electric. Commission Staff did not file comments by the deadline.

After a closer look, the ALJ concludes it is unnecessary for Commission Staff to file comments. By its March 31, 2020 filing, East Texas Electric has satisfied the first notification requirement specified in Ordering Paragraph No. 4 of the Order in Docket No. 47898.

This compliance docket will remain open for the other compliance obligations specified in the Order in Docket No. 47898.

Signed the 14th day of May 2020.
