NOTICE OF APPROVAL

This Notice of Approval addresses the April 17, 2020, application of Cranell Wind Farm, LLC to certify its facility as a renewable energy credit (REC) generator utilizing wind generating technology. Cranell Wind is a power generation company and holds registration number 20540. The facility's total rated nameplate capacity is 220 megawatts (MW) and the metered generation eligible for RECs is 220 MW.

On May 6, 2020, Commission Staff recommended approval of the application.

Under 16 TAC § 25.173(o)(1), Cranell Wind's facility meets the eligibility criteria as outlined in 16 Texas Administrative Code (TAC) § 25.173(e) because the facility qualifies as a new facility. Cranell Wind also included the location, owner, technology, and rated capacity of the facility as required under 16 TAC § 25.173(o)(1). Accordingly, the Commission certifies the facility as a REC generator.

Any subsequent changes to the information provided in this application must be filed with the Commission as supplements to the application within 30 days of such changes.

Signed at Austin, Texas the 6th day of May 2020.
