**ORDER ADOPTING REPEAL OF 16 TAC §25.227
AS APPROVED AT THE MAY 14, 2020 OPEN MEETING**

The Public Utility Commission of Texas (commission) adopts the repeal of 16 TAC §25.227 relating to Electric Utility Service for Public Retail Customers without changes to the proposal as published in the February 28, 2020 issue of the *Texas Register* (45 TexReg 1294). The repeal implements amendments to the Public Utility Regulatory Act (PURA) included in House Bill (HB) 2263 enacted during the 86th Legislative Session. HB 2263 removed provisions in PURA that authorized the commissioner of the General Land Office to make electricity sales directly to public retail customers.

The commission did not receive comments on the proposed repeal.

This repeal is adopted under the Public Utility Regulatory Act, Texas Utilities Code Annotated §14.002 which provides the Public Utility Commission with the authority to make and enforce rules reasonably required in the exercise of its powers and jurisdiction.

Cross Reference to Statutes: Public Utility Regulatory Act §14.002.

This agency hereby certifies that the adoption has been reviewed by legal counsel and found to be a valid exercise of the agency's legal authority. It is therefore ordered by the Public Utility Commission of Texas that §25.227, relating to Electric Utility Service for Public Retail Customers, is hereby repealed without changes to the proposal.
