Subject: **Project No. 50500** - *Designation of Electric Providers of Last Resort for 2021 – 2022 Pursuant to 16 Tex. Admin. Code § 25.43 and Submission of LSP EFLs*

IMPORTANT NOTICE – ALL CERTIFICATED REPS (OPTION 1 and OPTION 2)
MUST MAKE A FILING IN PROJECT NO. 50500 BY JULY 10, 2020

IN ADDITION TO THE COPIES THAT ARE REQUIRED TO BE FILED IN CENTRAL RECORDS, REPs must also file a copy of the completed form (Excel spreadsheet) in native non-password protected format.

It is the responsibility of each REP to ensure that the deadlines in Project Number 50500 Order No. 1 are met. All REPs (Option 1 and Option 2) are required to make a filing even if they have not served ESI IDs during the requested period. REPs who fail to timely provide the information may be referred to the commission's Oversight & Enforcement Division for further action. Again, all Option 1 and Option 2 REPs must file this information even if the REP may not be qualified to provide POLR service.

Pursuant to 16 Tex. Admin. Code §25.43 (TAC), in each even numbered year, all REPs are required to provide information to the commission necessary to establish their eligibility to serve as a Provider of Last Resort (POLR) for the following two-year term. Additionally, REPs may submit an indication of their willingness to voluntarily serve as POLR pursuant to 16 TAC §25.43(i). A REP may also request that the commission designate a REP affiliate to provide POLR service on behalf of the REP in the event that the REP is designated to provide POLR service pursuant to 16 TAC §25.43(k). A copy of the form and instructions to be used to report this information can be found at: <http://www.puc.texas.gov/industry/projects/electric/50500/50500.aspx>.
