Generation Companies Registration

---

### **RECOMMENDATION**

On May 18, 2020, Old Jackson Solar LLC (Old Jackson Solar) filed an application to amend its power generation company (PGC) registration pursuant to 16 Texas Administrative Code (TAC) §25.109. Old Jackson Solar indicated that an amendment is necessary to reflect a change in indirect upstream ownership. Old Jackson Solar's registration number is 20497.

After a review of the Old Jackson Solar's amendment request, Staff has concluded that the company has satisfactorily completed the post registration requirements under 16 TAC §25.109 (h) by reporting a material change in the information provided on the registration form within 45 days of the change. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC §25.109 (f).

Therefore, Staff recommends that Old Jackson Solar's amendment request be granted, and commission records be revised to reflect the amendment.
