RE: Project No. 50784, Application of Elbow Creek Wind Project LLC to Amend its
Power Generation Company Registration

RECOMMENDATION

On April 22, 2020, Elbow Creek Wind Project LLC (Elbow Creek) filed an application to amend its power generation company (PGC) registration pursuant to 16 Texas Administrative Code (TAC) §25.109. Elbow Creek requested an amendment to remove Buckthorn Wind Project LLC from its list of affiliated companies because Buckthorn Wind Project LLC is no longer an affiliated company. Elbow Creek's registration number is 20232.

After a review of the Elbow Creek's amendment request, Staff has concluded that the company has satisfactorily completed the post registration requirements under 16 TAC §25.109 (h) by reporting a material change in the information provided on the registration form within 45 days of the change. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC §25.109 (f).

Therefore, Staff recommends that Elbow Creek's amendment request be granted, and commission records be revised to reflect the amendment.
