Re: Docket No. 49726; Request of the City of Seymour for a Declaratory Order Regarding Service by Tri-County Electric Cooperative, Inc.

Dear Judge Leary:

On May 20, 2020, the City of Seymour filed a motion for summary decision in this docket. Pursuant to PUC Proc. R. 22.182(c), there is no deadline for Tri-County Electric Cooperative, Inc. (TCEC) to respond to the motion unless one has been established by the presiding officer. In this case, no schedule has been adopted that sets a deadline for TCEC to respond to the motion for summary decision. In fact, the parties agreed to suspend the procedural schedule pending a decision on TCEC's request for a hearing, per Commission Staff's Unopposed Request for Extension of Time and to Suspend the Procedural Schedule filed on April 22, 2020. Pursuant to Order No. 8, the docket deadlines established in Order No. 6 were suspended pending a determination of referral of this case to the State Office of Administrative Hearings (SOAH).

Therefore, TCEC requests that a ruling be made upon TCEC's request for a hearing, and then a deadline for TCEC to respond to the City's motion for summary decision be set by an Administrative Law Judge with SOAH or by you if you determine to keep the case for a hearing before the Commission.

If you have any questions or need further information, please advise.

Sincerely yours,

/s/ Stephanie C. Sparks
