NOTICE OF APPROVAL

This Notice of Approval addresses the March 10, 2020 application of Prospero Energy Project, LLC (Prospero) to certify its Prospero Energy Project facility as a renewable energy credit (REC) generator utilizing solar generating technology. Prospero is a power generation company and holds registration number 20548. The facility's total rated nameplate capacity is 300 megawatts (MW) and the metered generation eligible for RECs is 300 MW.

On March 24, 2020, Commission Staff recommended approval of the application.

Prospero's application includes the information required under 16 Texas Administrative Code (TAC) § 25.173(o). The facility is not ineligible for producing REC's under 16 TAC § 25.173(f). The facility satisfies the requirements under 16 TAC 25.173(e)(1) and (4) as a new facility, capable of being metered and verified, and not powered by fossil fuel. Accordingly, the Commission certifies the facility as a REC generator.

Any subsequent changes to the information provided in this application must be filed with the Commission as supplements to the application within 30 days of such changes.

Signed at Austin, Texas the 1st day of May 2020.
