Re: PUC Docket No. 50669

To Whom It May Concern:

As property owners of 1650 FM 857, Grand Saline, TX, 75140 , we are submitting written opposition to Proposal #6, A-Z-I-H2-AK-P-AM, of the above referenced docket number for the following reason:

The portion described as Link A would pass along the north property line and directly affect the corral and barn that sit on the proposed future easement.

As protestors, please consider this our written opposition to Link A of the proposed PUC transmission line.

Sincerely,
