Dear Judges Quinn and Drews,

This letter is to notify the Commission that Petty and RGEC have reached an agreement regarding the deadlines for responding to discovery requests and the abatement of discovery in anticipation of conducting mediation on June 3, 2020. The parties have agreed as follows:

1. **Further Discovery**. Petty shall not file or conduct any new discovery on RGEC before the Parties have conducted mediation. RGEC shall not file or conduct any new discovery on Petty until Petty's deadline for filing its rebuttal testimony has occurred.

2. **Petty's Sixth Requests for Information**. With respect to any documents listed on RGEC's privilege log, Petty will not file a motion to compel prior to the date the Parties conduct mediation, and Petty's deadline to file a motion to compel will be five business days following the last day of mediation.

3. **RGEC's Third Requests for Information**. Petty's deadline to file objections to RGEC's Third Requests for Information ("Third RFIs") will be extended to five business days following the last day of mediation. If mediation fails, subject to any objections, Petty shall provide responses to the Third RFIs within 20 calendar days following the last day of mediation.

4. **Petty's Seventh Requests for Information**. RGEC's deadline to file objections to Petty's Seventh Requests for Information ("Seventh RFIs") will be extended to five business days following the last day of mediation. RGEC shall provide responses to the Seventh RFIs within 10 calendar days following the last day of mediation.
